FRIDAY 15 JUNE, AFTERNOON

**MARK
SCHEME**

General Marking Instructions

Introduction

The main purpose of the mark scheme is to ensure that examinations are marked accurately, consistently and fairly. The mark scheme provides examiners with an indication of the nature and range of candidates' responses likely to be worthy of credit. It also sets out the criteria which they should apply in allocating marks to candidates' responses.

Assessment objectives

Below are the assessment objectives for **GCE Irish**.

Candidates should be able to:

- AO1** Understand and respond, in speech and writing, to spoken language drawn from a variety of sources, including face-to-face interaction.
- AO2** Understand and respond, in speech and writing, to written language drawn from a variety of sources.
- AO3** Manipulate the language accurately and appropriately, in spoken and written forms, using a range of lexis and structure.
- AO4** Show knowledge and understanding of, and respond critically and analytically to different aspects of the culture and society of countries and communities where the language is spoken and demonstrate critical analysis and evaluation of works created in the language studied.

Quality of candidates' responses

In marking the examination papers, examiners should be looking for a quality of response reflecting the level of maturity which may reasonably be expected of a 17 or 18-year-old which is the age at which the majority of candidates sit their GCE examinations.

Flexibility in marking

Mark schemes are not intended to be totally prescriptive. No mark scheme can cover all the responses which candidates may produce. In the event of unanticipated answers, examiners are expected to use their professional judgement to assess the validity of answers. If an answer is particularly problematic, then examiners should seek the guidance of the Supervising Examiner.

Positive marking

Examiners are encouraged to be positive in their marking, giving appropriate credit for what candidates know, understand and can do rather than penalising candidates for errors or omissions. Examiners should make use of the whole of the available mark range for any particular question and be prepared to award full marks for a response which is as good as might reasonably be expected of a 17 or 18-year-old GCE candidate.

Awarding zero marks

Marks should only be awarded for valid responses and no marks should be awarded for an answer which is completely incorrect or inappropriate.

Marking calculations

In marking answers involving calculations, examiners should apply the 'own figure rule' so that candidates are not penalised more than once for a computational error. To avoid a candidate being penalised, marks can be awarded where correct conclusions or inferences are made from their incorrect calculations.

Types of mark schemes

Mark schemes for tasks or questions which require candidates to respond in extended written form are marked on the basis of levels of response which take account of the quality of written communication.

Other questions which require only short answers are marked on a point for point basis with marks awarded for each valid piece of information provided.

Levels of response

In deciding which level of response to award, examiners should look for the 'best fit' bearing in mind that weakness in one area may be compensated for by strength in another. In deciding which mark within a particular level to award to any response, examiners are expected to use their professional judgement.

The following guidance is provided to assist examiners.

- **Threshold performance:** Response which just merits inclusion in the level and should be awarded a mark at or near the bottom of the range.
- **Intermediate performance:** Response which clearly merits inclusion in the level and should be awarded a mark at or near the middle of the range.
- **High performance:** Response which fully satisfies the level description and should be awarded a mark at or near the top of the range.

Quality of written communication

Quality of written communication (QWC) is taken into account in assessing candidates' responses to all tasks and questions that require them to respond in extended written form in English. These tasks and questions are marked on the basis of levels of response. The description for each level of response includes reference to the quality of written communication. For conciseness, quality of written communication is distinguished within levels of response as follows:

One strand of QWC will be assessed:

- ensuring that text is legible and that spelling, punctuation and grammar are accurate so that meaning is clear.

QWC will be assessed qualitatively and holistically and the standard required will be evident in the level banding marking criteria for each question.

Level 5: Quality of written communication is excellent.

Level 4: Quality of written communication is very good.

Level 3: Quality of written communication is good.

Level 2: Quality of written communication is quite good.

Level 1: Quality of written communication is weak.

In interpreting these level descriptions, examiners should refer to the more detailed guidance provided below:

Level 5 (Excellent): Presentation, spelling, punctuation and grammar are excellent and meaning is very clear.

Level 4 (Very Good): Presentation, spelling, punctuation and grammar are of a sufficiently high standard to make meaning clear.

Level 3 (Good): Presentation, spelling, punctuation and grammar are good and meaning is clear.

Level 2 (Quite Good): Presentation, spelling, punctuation and grammar are sufficiently competent to make meaning clear.

Level 1 (Weak): Presentation, spelling, punctuation and grammar may be such that intended meaning is not clear.

(b) “Tá ról tábhachtach le himirt ag Murtach sa dráma *Lá Fhéile Míchíl*. Deirtear linn gur “seandúine cantalach” atá ann ach is fiú éisteacht lena bhfuil le rá aige.”

Déan an tuairim sin a mheas.

intreoir

cuirtear in aithne é ag fíorthús an dráma – “seandúine cantalach atá ann.”
is “garraíodóir” é sa chlochár ina bhfuil an dráma lonnaithe

an ról a imríonn Murtach sa dráma

cé go n-imríonn sé ról an amadáin, tá críonnacht ag baint lena bhfuil le rá aige

tugann sé eolas don lucht féachana – eolas faoi chúlra na ndaoine/eolas faoin chogadh atá ag dul ar aghaidh taobh amuigh de na ballaí
caitheann sé súil ghéar ar pholaitíocht na haimsire – “tá siad níos Sinn Féiní ná na Sinn Féinirí féin.”

úsáidtear é le breithiúnas a thabhairt corruair – “Fíor duit, a Athair. Mharaigh sí í féin.”
mínítear rudaí tríd an charachtar Murtach

bíonn sé sásta orduithe a leanstan – “ordú a tugadh dom.” – ach, ag an am chéanna, is duine féinmhuiníneach é

ceandána in amanna

“níl tuairim ná toil de mo chuid féin agam.”

ar an taobh eile den scéal, tugann sé dúshlán daoine eile – *Máistre*s: “Tro dairí na saoirse!” *Murtach*: “Murdróirí fuilteacha!”

tá sé mar “confidante” ag Mère Michelle/tá sé geanúil uirthi – “Tá tú ar crith a Mhaimeo.”

úsáidtear Murtach le greann a chothú – na rudaí a deir sé agus na rudaí a dhéanann sé ar an ardán. “an ráca ina ghlaic” “Craidhps, an é gur mian leat an Union Jack a thaispeáint?”

cruthaíonn sé teannas – “Dar príosta, tá an sionnach i measc na sicíní againn!”

teicnící an drámadóra le carachtar Murtach a léiriú

fios ag an iarrthóir gur dráma atá ann agus go mbaintear úsáid as teicnící ar leith le carachtair a chur i láthair an lucht féachana

na rudaí a deir sé agus na rudaí a dhéanann sé/an dóigh a mbíonn sé ag geáitsíocht

conclúid

fios ag an iarrthóir go bhfuil dhá chuid leis an cheist – tabharfaidh sé/sí breith ar an ráiteas “is fiú éisteacht lena bhfuil le rá aige.” – mura bhfuil seo déanta i gcorp na haiste.

3 Filíocht

- (a) **Scríobh anailís ar thábhacht na háite dúchais i bhfilíocht Chathail Uí Shearcalgh. Déan tagairt do dhá dhán ar a laghad a bhfuil an áit dúchais mar théama iontu.**

intreoir

tá an áit dúchais iontach tábhachtach do na Gaeil
bhí an téama i gcónaí le feiceáil i bhfilíocht Ghaeilge
Ó Searcaigh agus an áit dúchais

logainmneacha sna dánta

baintear úsáid as logainmneacha sa litríocht le seilbh a ghlacadh ar an áit dúchais
traidisiún an Dinnseanchais
eagla ar mhuintir na hÉireann i gcónaí roimh an díshealbhú
“Placenames that sigh
like a pressed melodeon
across the forgotten
Northern landscape” (John Montague)
tá tábhacht le fuaim na logainmneacha sna dánta/fuaimfhoclaíocht
“mar shiolastrach Ghleann an Átha” (*Níl Aon Ní*)
“i nGleann an Átha” (*An Tobar*)
“i gCaiseal na gCorr” (*Níl Aon Ní*)
“i gcreagacha crochta na Beithí” (*Caoineadh*)
eolas áite a tugadh ó bhéal ó ghlúin go glúin
úsáideann Ó Searcaigh logainmneacha lena chuid filíochta a lonnú in áit ar leith – an áit
as a dtagann a inspioráid
dán grá atá in “Níl Aon Ní” – grá do leannán agus grá don áit dúchais
baintear úsáid as meafair sna dánta le mothúcháin an fhile a shoiléiriú

topagrafaíocht/tírdhreach

“an tobar is glaine” (*An Tobar*)
“sna beanna dodhreaptha” (*Caoineadh*)
“sna scealpacha” (*Caoineadh*)
bíonn filíocht Uí Shearcaigh lonnaithe in áit ar leith – áit a bhfuil gean aige uirthi ach áit
a bhíonn contúirteach duairc gruama in amanna
bíonn cumhacht ag an tírdhreach nach mbíonn ag an duine (*Caoineadh*)
tá meas ag an fhile ar an tírdhreach – tuigeann an mháthair agus an gasúr óg in
Caoineadh nach bhfuil maith ar bith ann troid in éadan an tírdhreacha

áiteanna taobh amuigh de cheantar dúchais an fhile

nuair a luann Ó Searcaigh logainmneacha ó thaobh amuigh dá cheantar dúchais, bíonn
contúirt/baol ag baint leo
sa dán *An Tobar*, tagann uisce reatha “ó chnoic i bhfad uainn” – is ionann seo agus
drochthionchar an Bhéarla
mar an gcéanna in *Caoineadh*, tá an teanga “gafa i gcreagacha crochta na faillí”
léiríonn sé fuath/gráin sna focail “brúchtbhaile balscóideach i mBaile Átha Cliath”
(*Níl Aon Ní*)

conclúid

tuairim phearsanta an iarrthóra ar thábhacht na háite dúchais don fhile sna dánta
an áit dúchais mar bhé na filíochta aige

nó

(b) **Scríobh anailís liteartha ar an dán *Rian na gCos le Seán Ó Ríordáin.***

intreoir

comthéacs an dáin
fealsúnacht an fhile

ábhar an dáin

siúlóid a ghlac an file/pearsa an dáin
baineann Ó Ríordáin úsáid as an dán seo le cur síos a dhéanamh ar thuras agus ar an dóigh a léiríonn an turas seo a fhealsúnacht ar fhorbairt an duine
eispéireas a “iomlánaíonn” é
“Is mó mé i mise amháin”
ní hé an duine céanna é anois agus an duine a shiúil an bealach sin ar maidin
tá fealsúnacht agus ceird an fhile fite fuaite lena chéile –
“Scata a scrí” na ranna seo,
Duine as gach anáil.”
dán meitifisiciúil atá ann a dhéanann iniúchadh ar fhorbairt an duine agus ar chumadh filíochta

an guth/an glór sa dán

ag tús an dáin, baintear úsáid as glór pearsanta “Anois ba mhaith liom bualadh leis”
ag caint ar an duine “eile”, baineann an file úsáid as “sé”/“leis”
ag an deireadh tuigtear don léitheoir gur duine amháin a bhí i gceist ach go bhfuil fealsúnacht ar leith ar obair anseo

ton/mothú an dáin

ag tús an dáin, síleann an léitheoir go bhfuil bás/imeacht i gceist –
“Aneas ní thiocfaidh sé”
tugtar léargas ansin dúinn ar phearsa an dáin ag siúl lena “chomrádaí” – pictiúr dearfach atá ann le fuaimeanna deasa “Ba chlos trithí sruthán.”
“Ach ní mé a bhí i bhfara leis
Ag éisteacht le sruthán.” – tuigeann an léitheoir as na línte seo go bhfuil rud éigin as an choitiantacht ag tarlú anseo
athraíonn an ton arís leis an líne “Níor saolaíodh mé gur cailleadh é.”
tá spioradáltacht/fealsúnacht taobh thiar den líne seo
“Cailltear le gach focal mé
Ach éiríonn le gach anáil,”
tá dóchas sna línte sin – aiséirí na Críostaíochta?
is léir go bhfuil an file geanúil ar “Na daoine seo dem chroí,”

rithim/rím sa dán

fios ag an iarrthóir go gcuidíonn rím agus rithim le hábhar an dáin
rithim rialta mar a bheadh cosa ag titim ar an talamh
rím ABCB i ngach véarsa
rím inmheánach – iontach éifeachtach le hatmaisféar a chothú agus leis an rithim a choinneáil rialta
“Ó dheas a ghabh sé an mhaidin sin
Aneas ní thiocfaidh sé.” – titeann béim an ghutha ar na siollaí sa dóigh chéanna agus a thiteann na cosa ar an talamh agus tú ag siúl

teicnící

samhail – “Mar ghlór cailín fé cheilt sa chlaí” –
onamataipé/fuaimfhoclaíocht – “Ar shiúil sé leo sa láib”/“Ba chlos trithí sruthán”
